**Application:**

Make sure you have answered all questions thoroughly and precisely. Remember, you are your best advocate, so take some time when completing each section of the application. If the forms do not provide enough space, feel free to use additional sheets. The application form ([www.commonapp.org](http://www.commonapp.org)) can be sent electronically or mailed to the Admissions Office together with your \$50.00 application fee. In cases where our fee would cause undue hardship, Holy Cross honors the College Board fee waiver request initiated by your high school counselor.

**Teacher Recommendation:**

One teacher recommendation is required. Additional letters of support are welcome.

**Interview:**

Interview appointments are offered on any day that the Admissions Office is open for business. To arrange for an on-campus interview, please call the Admissions Office at 1-800-442-2421.

**Alumni Interview:**

For those who are unable to travel to campus for an interview, we do offer the unique opportunity for you to interview in your area with a Holy Cross alumnus who has been trained as an admissions interviewer. After you have submitted your application please visit [Alumni interview request form](#) to request an alumni interview.

**Standardized Testing:**

The submission of standardized test scores is optional. If you are submitting testing, request scores be sent to the College. The College Board code number is 3282. The American College Testing Program code is 1810. Students who opt not to submit scores will not be at any disadvantage in Admissions decisions.

**Supplementary Materials:**

Students with strong extracurricular interests are invited to submit samples of their talent. Our most common submissions are of a musical, theatrical or artistic nature. Slides, cassette tapes, CD's and DVD's are the most effective forms of media. Students should submit duplicate or disposable materials, as no supplements will be returned.

**CSS Profile:**

\*In addition, copies of the "Non-Custodial Parent's Statement" and/or "Business/Farm Supplement" should be sent directly to the [Financial Aid Office](#) at this time. The Non-Custodial Parent Statement as well as the Business/Farm Supplement are forms that may have to be completed based on the information you provided on the Profile registration.
