The O'Callahan NROTC Committee

hosts its

9th Annual Speaker Dinner

&

becomes

the O'Callahan NROTC Society

10:00 AM, Hogan Campus Center, O'Callahan Society Organization Meeting

After 15 years of serving the NROTC Unit at Holy Cross, the O'Callahan NROTC Committee is becoming the O'Callahan NROTC Society.

The Society will be a membership organization open to those who understand the importance of ROTC programs to the armed forces and who appreciate the contributions of our NROTC Unit to the College, to Worcester Polytechnic Institute, to Worcester State College and to the nation.

Please join us on Saturday morning, October 17th as we move ahead to more effectively help the Holy Cross NROTC Unit survive and flourish and as we continue our programs to honor Father O'Callahan and all who have served.

6:00 PM, Hogan Campus Center, O'Callahan Ninth Annual Dinner

Please also join us Saturday evening in Hogan to meet our Ninth Annual Speaker, Vice Admiral Peter H. Daly, Holy Cross '77. Vice Admiral Daly, Deputy Commander, U.S. Fleet Forces Command, will address the missions of his Command including the Navy's contribution to current operations from Afghanistan to Global Presence and the Struggle Against Violent Extremists. His remarks should be of interest to all as we face the challenges of these difficult times.
