Celebrate your
graduate's accomplishments
2009

The Holy Cross Parents Council invites you to celebrate your son's or daughter's graduation by participating in the *Honor with Books* campaign.

Did you know that an average of 80,000 books are circulated from the library to 2,600 students and 230 faculty members each year?

Even in this electronic age, books are still of primary importance to the educational mission of Holy Cross. Yet with the costs of technology escalating, the libraries are finding their budgets squeezed for books and journals.

Your participation in *Honor with Books* will provide an enduring resource for Holy Cross, while celebrating your child's great accomplishments.

- Your tax deductible gift of \$100 will allow the Holy Cross libraries to purchase a book for their collections.
- Although it is not possible to name a particular work, you may choose within an area of study that is reflective of your child's major or area of interest.
- A bookplate bearing the name of your son or daughter will be placed in each newly purchased book, and you will receive a facsimile bookplate in appreciation of your gift.

You may choose a book from one of the following areas of study:
