1. I really enjoyed all the materials that we went over in this class and I am glad that I also learned a lot;
2. H.C. does not have many courses on Africa which I think is terrible & a reflection of H.C. ignorance of/negligence of Africa. I was so excited to have the opportunity to study Africa in economics. Great course! Need more of them! There's more to the world than just Latin America & China!
3. One of the best courses I have taken;
4. Great teacher, good lectures overall. I had a really good time learning about such an interesting subject;
5. I thoroughly enjoyed this class because it challenged the way I thought about things. I also liked how it was a non-traditional economic course. It was a nice change of pace;
6. One of the most interesting courses I've taken;
7. I would gladly take another course with professor Sanchez;
8. Interesting topics;
9. Prof. Sanchez is an excellent professor and I look forward to his classes;
10. I liked this course and the way it was taught a lot.
