

**The Smith Charitable Trust Summer Research Fellows Program
ROOM AND BOARD APPLICATION – 2009**

This summer, Holy Cross will be housing summer research students on campus and providing meals. The period covered will be from May 27 – July 31, 2009. Students serving as research assistants in the Smith Charitable Trust Summer Research Fellows Program in the Economics Department will live in residence halls with students participating in the Science Research Fellowship Institute.

Please note that the Office of Science Coordinator has responsibility for summer housing for research assistants from the Economics Department.

Please complete the form below.

_____ I am applying for both a summer research stipend and a room for summer 2009.

_____ I am applying for a summer research stipend but do not want to be considered for a room for summer 2009.

_____ (please print)
(Student's Name)
