Permission to Publish Photographs Contract

Photographic images are generally reproduced for personal use only. Any other use, such as exhibition or publication requires specific written permission from the Archivist of the Jesuit New England Archives.

1. Permission is for non-exclusive, one-time use only, with no other rights. Permission is limited to the use and media as indicated by the applicant only, and excludes all other uses and media known or to be invented. All subsequent use and reuse, in any form, must be applied for in writing.
2. In authorizing the publication of a photographic copy the New England Province of the Society of Jesus Archives does not surrender its own right to publish it or to grant permission to other applicants.
3. A credit line must appear directly beneath the image published or reproduced. Or, for video and television, such credit must appear in the section devoted to acknowledgements. The proper citation for each image should read: The Archives of the New England Province of the Society of Jesus. This credit must be included for each reproduced image and in each footnote or endnote reference.
4. Purchase of a photographic print does not in itself carry with it the right to publish or to make a reproduction in any form.
5. Nothing may be superimposed over images from the New England Province of the Society of Jesus Archives collection, and the images or parts of an image may not be altered in any way, including adding color to a black & white image.
6. The user may not reproduce or permit others to reproduce the provided copy or any facsimile of it without permission from the Archivist of the New England Province of the Society of Jesus Archives. Additional copies must be purchased from the New England Province of the Society of Jesus Archives.
7. Responsibility for observance of copyright and other publication rights, including literary rights, as defined by the Copyright Act of 1998, rests with the applicant and not with the Jesuit New England Archives. The applicant shall indemnify and hold harmless The Society of Jesus of New England and its contributing organizations against any and all claims by third parties.
8. Permission is valid only for the individual, company, or institution to whom it is specifically issued and may not be transferred, assigned, sold, or otherwise disposed of without written permission and prior consent from the New England Province of the Society of Jesus Archives.
9. Permission is valid for one year from the date that permission is granted. Fees will not be refunded.
