

Holy Cross Summer Science Research Fellowship – 2008
STUDENT APPLICATION

Please note that **three copies** of the completed application are due in the Grants Office **no later than Friday, Feb. 22**. A completed application consists of the following:

1. A completed cover page (this form).
2. A written statement (two to three pages typed) stating why this program interests you, a description of your science background, your summer research plan, and your long term goals (e.g. research plans while at Holy Cross, graduate school, medical school, etc.) *Please comment on the prospect of continuing independent research during the coming school year.* Remember, your personal statement is the most important part of the application process.
3. Your up-to-date transcript (obtained from the STAR program).
4. A completed Room and Board Application form.

The cover page, the written statement, the transcript, and the room and board application form should be stapled together in that order.

In addition please ask **two** faculty members in the Biology, Chemistry, Mathematics, Computer Science, Physics or Psychology Departments to supply a recommendation. One of these individuals should be the professor with whom you wish to do research. Please provide these individuals with one of the attached recommendation forms and ask them to mail the completed recommendation form to the Grants Office (P.O. Box GR) by the February 22nd deadline.

Return your completed application to the Office of Science Coordinator, Fenwick 450 (Grants Office, P.O. Box GR), no later than Feb. 22. You will be notified of the decision of the committee by mid-March.

Please complete this cover page and attach it to your proposal.
