My name is Viktor Lutsyshen, and I come from Kherson, the center of the shipbuilding industry in Ukraine! I went to a boarding school in Canada for two years, and now I am a sophomore here at Holy Cross. In many ways, my international experience shaped the person I am today and made me fall in love with international relations, politics, and economics.

In my off time, I like to spend time in the gym, playing video games, and reading non-fiction.
