

RUSSIA

“A riddle wrapped in a mystery inside an enigma” -- Winston Churchill

Learn Russian and unravel the country's mysteries!

Besides its rich history of culture and tradition, contemporary Russia holds an unprecedented role as a key global player...

 **Size:** The largest country in the world, Russia stretches across 11 time zones.

 **Political Strength:** This year Russia will be head of the G-8.

 **Business Opportunities:** Russia is getting richer (oil exports are tremendous). Moscow has more billionaires than any other city in the world.

 **Global Importance:** The U.S. government will pay you to study Russian (Bush administration's January 2006 National Security Language Initiative for Russian and other key languages).
