

### **CSS Profile® Waiver Request for the Noncustodial Parent**

Financial aid eligibility is based on demonstrated financial need, not on a parent's willingness to pay for education. However, some institutions recognize that every family is different and want to be sure to understand your family's circumstances as they assess your eligibility for aid.

These institutions may require your noncustodial parent to complete a CSS Profile application. If you have no contact with this parent, you may request institutions to waive this requirement. **Prior to submitting this form, confirm whether each institution you are applying to requires a noncustodial parent to complete the CSS Profile application and accepts this waiver.** 

#### To complete this form, follow these steps:

☐ Complete and sign the form.
☐ Submit the signed copy, with all required documentation, to each institution that accepts this waiver.
☐ Keep a copy for your records.

#### Things to remember:

- This form is a way to start a conversation with your institutions. Understand other institutions who require a CSS
  Profile application from noncustodial parents may require their own waiver form and may not accept this version.
  It's important to review each institution's website and instructions.
- Submission of this request does not guarantee that a waiver will be approved.
- Each institution will make its own decision and communicate that decision to you and reserves the right to request additional information regarding your waiver request.

#### Types of waiver requests that may be considered:

- No contact or support ever received from your noncustodial parent.
- Legal orders that limit the noncustodial parent's contact with you.
- Abuse situations involving you and the noncustodial parent.

#### Examples of documentation that may be required:

- Court documents or legal orders, if applicable.
- Third-party documentation preferably a written statement or letter from a counselor, a social worker, a teacher, or clergy who has first-hand knowledge about and can certify your situation.
  - Statements from family members or attorneys may or may not be accepted.

#### Types of waiver requests that are usually not considered:

- A parent refuses to complete the CSS Profile.
- Divorce decree states that a parent is not responsible for the student's educational expenses. In these cases, we encourage you to reach out directly to each institution's financial aid office for assistance.
