Passport is a program designed to acclimate incoming first-year students to the challenging academic life at Holy Cross. Invited students will spend three weeks on campus this summer previewing campus life, taking an academic course, and living in the residence halls. Passport is hiring a minimum of fifteen student leaders for a variety of positions to help guide students during Summer Passport. Staff will live alongside students in the residence hall; help run programs and activities; attend weekend excursions; and assist with the academic and classroom component. Being a Summer Passport staff member is an intense, but rewarding experience. Due to the residential structure of the Summer Passport schedule, there is limited free time available for student staff.
