

OUR MISSION

Holy Cross is committed to educating students fully and preparing them for success in virtually any profession or vocation. Our Jesuit education equips graduates with intellectual skills, and instills in them a lifelong desire to continue learning and growing. As “people for and with others,” Holy Cross students live and study in an environment that emphasizes social responsibility.

OUR FAMILY

Renowned for its friendliness and loyalty, Holy Cross is not just a school, but a home and a family. In our exclusively undergraduate community, students enjoy a close rapport with professors who are truly committed to the success of each student. The close bonds formed with faculty and between students last well beyond graduation — Holy Cross alumni are among the most connected and loyal in the nation.

WHY PARTICIPATE IN PERSPECTIVES?

WHAT PERSPECTIVES ATTENDEES HAVE SAID ABOUT THE PROGRAM:

I would definitely recommend this to a future prospective student, it is way more informational and helpful than a tour because it really helps you know if there is a connection between you and the school. I would recommend the program so that other students who are interested could have the opportunity to feel the same.

-Jailanny P, HC Class of 2024

It was refreshing to get to hear the real experiences of some of the students on campus. It helped to increase my confidence that Holy Cross is a good fit for me, because I felt like I could trust the students' answers.

-Emma G, HC Class of 2024

The student panel spoke honestly and truthfully and that is something I was looking for. I definitely felt I had a better understanding of the school.

-Martell A., Class of 2024

YOU'RE INVITED TO JOIN US FOR PERSPECTIVES WEEKEND!

COLLEGE OF THE
Holy Cross

A MULTI-DAY ONLINE PROGRAM FOR STUDENTS
INTERESTED IN EXPLORING DIVERSITY AT HOLY CROSS

NOVEMBER
7-9, 2020

PERSPECTIVES

College will expose you to a variety of people who will challenge any assumptions, stereotypes, or preconceived notions you may have about the world. As you embark on this journey looking for a place to call home for the next four years, we invite you to consider the many benefits, resources, and networks of support that a multicultural campus community provides by registering to join us for this year's Perspectives weekend.

Perspectives is a dynamic virtual program connecting you to the multiplicity of people, faiths, viewpoints and ideas that converge at Holy Cross. This three-day program delves into issues of identity and diversity in all of its forms, emphasizing our environment founded on mutual respect and inclusivity from the lens of historically underrepresented populations on college campuses, including but not limited to the experiences of those who identify as BIPOC, First Generation, and/or LGBTQIA+.

Perspectives is a great opportunity to experience first-hand the open and inclusive culture of Holy Cross while getting to know our diverse community of students, faculty, and staff.

Be sure to save November 7-9 on your calendar now!
