

¡Hola a todos!

My name is Florencia and I will be one of your Spanish FLAs this year! I am 23 years old and I was born and raised in Buenos Aires (Argentina), a very cosmopolitan city that you should visit at least once in your lifetime (I would love to be your tour guide!).

I decided to become a translator because I love Spanish and English languages and everything related to them (linguistics, grammar, semantics, phonetics). I love the fact that while I am translating I am in contact not only with two different languages, but also with two unfamiliar cultures. I also enjoy reading, listening to music, watching movies, cooking and doing sport. I have recently started to learn Italian and I found out that there are many similarities between Italian and Spanish, so we will talk about all this soon :)

I had the opportunity to travel to the United States and to some countries of Europe and Latin America, but this will be my first work experience abroad, so I am very excited! I can't wait to meet new people, discover new places, learn more about your culture and enjoy some great moments with you outside the classroom (whether it is a dinner, a campus tour or even an outing to the movies!).

I will teach you about Latin American culture, common idioms and expressions we use every day in Argentina and, of course, I would love to share with you some of our traditional recipes (by the way, I love food, so I can cook for you some day!).

I really hope I will be able to pass on my passion for Spanish to all of you. I am very enthusiastic when it comes to teaching, so I promise I will do my best for you to enjoy the learning experience 😊

I look forward to meeting you all!!! ¡Nos vemos pronto!
