

Board Memberships @ Holy Cross

Many members of the Holy Cross community lend their time and talent to local area organizations through volunteerism. The following is a directory of faculty and staff and the boards on which they serve. The majority of organizations are non-profit; the few that are for-profit organizations are denoted with an asterisk.

This directory is updated by the office of government and community relations. Contact Sue Hunt, shunt@holycross.edu, if you would like to edit or add information to the directory.
