Board Memberships @ Holy Cross

Many members of the Holy Cross community lend their time and talent to local area organizations through volunteerism. The following is a directory of faculty and staff and the boards on which they serve. The majority of organizations are non-profit; the few that are for-profit organizations are denoted with an asterisk.

This directory is updated on a quarterly basis. If your information appears incorrectly in the directory, please email government and community relations with requested edits. If you wish to include your information in the next update, please complete the online form.
