

Room Types for General HSP

Standard Doubles & Standard Doubles with Bathroom

Standard doubles are set up for 2 students and are located in Healy, Lehy, Clark, and Brooks-Mulledy Halls. Standard doubles with bathroom are located in Loyola Hall. Rooms are set aside for incoming first year students in Brooks-Mulledy, Hanselman, and Wheeler Halls that are not available for selection during HSP.

Standard Triples and Quads

Standard triple and quad rooms are permanently set up to accommodate 3 or 4 students in a one room living space. There are a small number of these rooms in Clark, Healy, and Loyola. All standard rooms in Loyola include a private bathroom.

Full Suites

A full suite has a private bathroom and common area. The full suites are located in Alumni and Carlin. There are mostly 6-person suites, a few 4-person suites, and very few 2-person suites. There is a limited number of each and are subject to change.

Modified Suites

A modified suite has a common area, but does not have a private bathroom. These rooms are located in Alumni and Carlin on floors 2-4. The number and placement of these rooms is subject to change. Most modified suites accommodate 4 students.

Connecting Rooms with Bathroom

Loyola Hall has several units that are comprised of two-person bedrooms with a connecting bathroom. There are 4-person units, 6-person units and 5-person units. There are only a small number of each.

Apartments

These rooms are located in Figge and Williams Halls and are available to seniors. Each apartment is a 4-person unit with a living room, dining area, kitchen, 2 bedrooms, and a bathroom. The apartments available to female and male seniors will be proportional to the number of seniors that register for HSP.

Substance-Free

Substance Free preferences **must** be indicated on STAR when you set up your roommate group. You do this by signing a Substance Free Contract. **There are no longer designated Sub-Free spaces/areas on campus, student groups are now placed anywhere they choose. If a student does not select a room during HSP, Residence Life & Housing will attempt to assign those students who have completed a Substance Free Contract with other Substance-Free residents when possible.**
