## The Worcester State University Speech-Language-Hearing Center announces Audiology Services.

The Worcester State University Speech-Language-Hearing Center has been serving people with communication disorders and/or differences for more than 35 years.

Our licensed and certified audiologists offer:

- Comprehensive Hearing Evaluations
- Hearing Aids
- Communication Therapy/Aural Rehabilitation

Make an appointment for a hearing evaluation if you:

- Ask others to repeat what they say
- Find it difficult to follow a conversation in a noisy environment
- Feel others are mumbling or not speaking clearly
- Need the TV louder than others
- Have difficulty hearing on the phone
