Accessing STAR with a mobile device

1. Go to [https://star.holycross.edu/main_login/index.html](https://star.holycross.edu/main_login/index.html)
2. Upon logging in with your username and password the following screen should appear:

![Screenshot of the login process]

iPad users should select the compass icon while other devices (such as iPhones) will select the 3 horizontal bars icon and then select “NavBar”.

![Screenshot of Navigator vs. Classic Home]

4. Once you select the desired menu/page, the display will appear like it does on a desktop regardless of the Navigator or Classic Home menu you chose.
