

# Instructions for the Receipt of Encrypted Messages

---

*College of the Holy Cross*

As the recipient of a secure message, you will receive a message like the one below. Clicking on the “Open Message” button will bring you to a webpage where you can retrieve the message.

To view the secure message, click Open Message.

The secure message expires on Nov 26, 2012 @ 01:26 PM (GMT).

Do not reply to this notification message; this message was auto-generated by the sender's security system. To reply to the sender, click Open Message.

If clicking Open Message does not work, copy and paste the link below into your Internet browser address bar.  
<https://secure.psmtp.com/s/e?b=holycross&m=ABCYzsus111VHSOTgzbp3CDp&c=ABABytCpQ89RHPsL1bE7tJFv&em=dshettler%2btesteraccount%40gmail%2ecom>

Want to send and receive your secure messages transparently?  
[Click here](#) to learn more.

---

When you arrive at the webpage (shown below), you will either be prompted to “Register Account”, or, if you have previously used the tool, enter in your password (shown on the next page). The account registration page is pictured below. You will be prompted to create a password per the directions on the page. Once you create your password and click register, you will be able to see the message, as well as reply to the message securely.

---

### Register Account

Enter your email address and a password to register and begin sending and receiving secure messages.

Email Address:  
dshettler+testeraccount@gmail.com

Password:

Re-enter Password:

#### Password Rules

Passwords must be at least 6 characters in length, and meet 2 of the following conditions:

- Contain both alphabetic and numeric characters
- Contain both uppercase and lowercase characters
- Contain at least one special character, such as: ~!@#\$\$%^&

For Customer Support, send an email message to [support@holycross.edu](mailto:support@holycross.edu).

Below is the screen you would see if you already have an account with Postini. This means that you have already received similar secure messages from others or us in the past, and already have a password. Enter your password to gain access to your message. If you have forgotten your password, you can click on the “Reset” button to have your password reset.

---
