Scope and Content Note:

This small volume contains accounts of legal and business transactions and is arranged in two parts. The first part appears to be for legal services for witnesses, (court?) officers, stationary, etc. It begins in 1858 and ends in the mid 1860's with approximately 27 pages of entries. The second part of the volume records the sales of flour, grain, meal, oats etc. These transactions occur in the early 1860's and one location that is mentioned is Bellingham (Massachusetts?).
