## TEACHING EXPERIENCE

### Instruction Librarian | College of the Holy Cross

*August 2023 – Present*

Librarian responsible responsible for information literacy (including news, visual, and media literacy) instruction in both physical and virtual formats to all students at College of the Holy Cross. Implements creative and progressive information literacy solutions to prepare students to succeed in every aspect of their academic career. This includes asynchronous digital objects and programming as well as classroom pedagogies. Teaches a high volume of information literacy sessions and collaborates with academic partners, as well as fellow librarians, to develop a sustainable program for our students' lifelong learning.

### Library Assistant | Wentworth Institute of Technology

*October 2021- July 2023*

Shadowed and then co-taught library research methods sessions with our reference and instruction librarians. Developed lesson plans and executed them in class under supervision of a full time reference librarian. Specifically taught sessions on media literacy, research with primary sources, and research organization.

### Adjunct Faculty - Explore Instructor |

**Simmons University** *August 2021 - December 2021*

Taught a section of the first-year introductory course. Curated a specific curriculum based around existing guidelines involving topics such as diversity, collegiate level writing, Socratic seminar class structures and organizational skills. Taught strategies for improving writing and reading comprehension skills as applicable to college courses. Acted as a mentor and resource for first year students, helping them navigate the first year of college after a worldwide pandemic changed many of the ways education is conducted.

## ADVISING EXPERIENCE

### First Year Advisor | College of the Holy Cross *August 2024– Present*

Acted as the first year advisor to a number of Holy Cross First years. Helped them navigate class registration, choosing fields of study, and adjusting to college life in general. Put students in contact with the right resources for their academic and personal needs.

### Co-Chair of the Title IX Advisory Committee | Augustana College *January 2018 – May 2019*

Ran a council of college students who advised college faculty and staff on revisions to the college’s Title IX policies, specifically Sex-Based Discrimination and Harassment Policy. Participated in the Title IX Advisor training program offered by Husch Blackwell Law firm. Developed yearly benchmarks of education and training for student organizations to meet before being allowed to host activities on campus. Presented educational materials at student and faculty organization meetings.

## RESEARCH EXPERIENCE

### Oral History Senior Inquiry Project | Augustana College *2019*

Undergraduate thesis project entitled *How Personal Histories of Music Shape a Musician’s Thinking and Personal Identity*. Conducted oral history interviews with 8 musicians of various musical genres and backgrounds to learn more about how they influence the kind of music that people produce and most resonate with. Project advisor Dr. Carolyn Hough, Anthropology.

### Master of Arts in History Thesis Research | Simmons University *2023*

Master’s Thesis entitled *The Library Affair has been Fortunate”: The role of the Library Company of Philadelphia in American Public Libraries and Information Literacy*. Examined the Library Company of Philadelphia’s early collection policies, user policies, and director’s meeting minutes to demonstrate an early inclination towards the democratization of information in the United States. Thesis Advisor Dr. Stephen Ortega, History.
