

Our project for enriching teaching and scholarship in ancient philosophy will continue this year through a series of public lectures, as well as intensive pedagogical activities, at the various host institutions. Events in this series are fully supported by grants from the participating institutions: Assumption College, Boston College, St. Anselm College and The College of the Holy Cross.

The Proceedings of the Boston Area Colloquium in Ancient Philosophy (John J. Cleary, Founding Editor) are now published by Brill. Back issues may be obtained by contacting Gary M. Gurtler, Editor, gary.gurtler@bc.edu
